RE: Testimonial supplied by Bendpro.

To: TenderSearch,

I would like to take this opportunity to thank TenderSearch for the excellent tender reporting service that they provide.

I have been able to streamline my part of the tenders as a result of TenderSearch's daily reports and thus allowing more time to pursue other tasks.

We have found that TenderSearch will always go the extra mile to make sure that you as the customer are included in the correct search categories to make sure that you are not missing any tenders that would relate to your company.

I would have no hesitation to recommend TenderSearch to any colleagues, friends and companies likewise who are considering utilising this type of market report.

Keep up the great work!

Best regards,
