Testimonial to TenderSearch,

North Coast TermiCam have been able to source many opportunities made available from TenderSearch for our TermiCam Services, our Team of professional Thermal Imaging Termite Detection Specialists and Pest Control Services, have been made aware of many future business opportunities we would not have know existed, thank you also to our consultant Karen Baker.

Our Team at TermiCam are happy to recommend TenderSearch notification services to all new and established businesses, wanting to grow their business in Australia and Overseas.

Linda Geluk
