

PowerClear have been subscribed to TenderSearch for over a year now and have found the service to be an important procurement tool.

As an ISO9001 accredited company PowerClear understand the importance of such Quality Assurance accreditations and confidently rely on TenderSearch to provide all relevant tender information required.

The friendly Client Services Team are available for support and advice at all times. The service overall is a timely and accurate one that we look forward to continuing with for years to come.

Regards,

Nick Clark
